Hi Cathie,

As Peg mentioned I will be the attorney for this matter moving forward. Can you confirm Peg's statement below that by its April 29 response, MidAmerican has provided everything needed by the EPA at this time? Otherwise, let me know what else you need from MidAmerican right now. MidAmerican has not changed its position from declining to negotiate because MidAmerican is not a PRP.

Thank you,

Kady Billam

I will be retiring from MidAmerican Energy Company effective June 4, 2020. Kady Billam will be your contact on this matter going forward. I believe with its April 29, 2020 letter to you that MidAmerican has provided the information responsive to your requests. If you have additional questions, please contact Kady.
